

Chapter Awards Program 2020-2021

Updated September 2020

Modifications for 2020-2021

During the 2020-2021 School Year chapters will have the ability to adjust their approach to the Chapter Awards Program to accommodate for virtual learning. Chapters will be given broad discretion in planning and implementing activities of a virtual nature to meet the various requirements outlined in this document. This document contains suggestions for activities (many of which contemplate an in-person interaction), however, we encourage you to use these as inspiration for planning activities that can be conducted virtually and in keeping with government guidelines for health and safety. All Chapter Awards Program entries will be submitted electronically through the State Conference Written Events Portal (link below). Each chapter will be allowed to submit one file in PDF format (no larger than 10MB) which will serve as their Chapter Awards Program entry. The deadline for submission is February 4, 2021.

Description

The Chapter Awards Program is an instructional enrichment program that supports local DECA chapters. The program is designed for chapters to develop a **well-rounded** program of work that demonstrates DECA's guiding principles and goal of preparing the next generation to be **academically prepared, community oriented, professionally responsible and experienced leaders.**

Objectives

1. To recognize and encourage local chapter organization by planning a yearly program of activities.
2. To develop student competencies in CTE instructional areas.
3. To build member involvement and strengthen local chapter.
4. To encourage DECA membership at local, district, state and international levels.
5. To build school and community recognition for the DECA chapter.
6. To develop member skills and abilities in the planning, executing and evaluation of projects.

Timing

Activities conducted **after** the close of the prior year's State Conference up until the start of the current year's State Conference will be included in the portfolio. The Chapter Awards Program should be initiated early in the year so chapter members will realize the greatest benefits of their involvement.

Recognition

The Chapter Awards Program provides recognition at three levels; gold, silver and bronze. The level of recognition is determined by the **number** of activities completed in each category:

Gold level: Completion of any **four (4)** activities in each category

Silver level: Completion of any **three (3)** activities in each category

Bronze level: Completion of any **two (2)** activities in each category

All chapters achieving **GOLD** level who are **not** assessed more than 40 penalty points will be awarded **3** leadership academy spots to the International Career Development Conference (spots must be used in the year that the Gold level is achieved and participation in the International Career Development Conference is subject to all conference policies and procedures). Gold, Silver and Bronze level chapters will be recognized on stage at the State Career Development Conference.

Sections

The portfolio will be separated into 5 sections

1. Membership Development
2. Community Service
3. Leadership Development

Procedure

Each activity will be submitted with a *narrative report* and *documentation* in either an official DECA CAP Scrapbook **or** plain white binder. A thorough review of the purpose and guidelines is vital for the preparation and completion of the program.
