

ICDC 2021 ADVISOR TOOLKIT

COMPETITION TOOLKITS:

As we get closer to our International Career Development Conference, the State Office Team has put together a comprehensive list of tips and advice that members can utilize when preparing for competition. There are three toolkits that members can use: A Written Toolkit, a Roleplay Toolkit, and a Testing/Online Events Toolkit.

The Written Toolkit can be accessed [here](http://leadable.info/CADECAWrittenTools).
[<http://leadable.info/CADECAWrittenTools>]

The Roleplay Toolkit can be accessed [here](http://leadable.info/CADECARoleplayTools).
[<http://leadable.info/CADECARoleplayTools>]

The Testing/Online Events Toolkit can be accessed [here](http://leadable.info/CADECATestingToolkit). [<http://leadable.info/CADECATestingToolkit>]

With the nature of online learning, the State Office Team has consolidated tips from past qualifiers and winners to get your students the best advice they can receive! Please encourage your Chapter Presidents and Chapter Officers to forward these resources to the delegates.

CHAPTER SUPPORT TOOLKITS:

Although the State Conference is over, Team 71 wants to make sure that all of our members continue to stay engaged and ready for ICDC and the following year. The State Office Team has put together a Chapter Support Toolkit that contains information on how chapter officers can support their members through ICDC. We realize that some officers may not have experience attending or managing ICDC, so Team 71 has some tips on how to help delegates as well as how to engage members who did not qualify for ICDC.

The Chapter Officer Support Toolkit can be found [here](http://leadable.info/CADECAICDCChapterGuide).

Thank you so much for your support throughout this virtual DECA season, and the State Office team is looking forward to seeing California members represent our organization on the international stage!

THE 2021-2022 STATE OFFICER TEAM
