IMPORTANT: COVID-19 PROTOCOLS

California DECA considers the health and safety of our students, advisors, judges, and business partners as our top priority. In cooperation with our hotel partners and in compliance with local and state guidelines and mandates, California DECA will implement protective measures aimed at reducing the likelihood of spread of the novel coronavirus (“COVID-19”) between participants and others attending its events. These measures and protocols are designed to be consistent with current guidance from the U.S. Centers for Disease Control and Prevention (“CDC”), as well as state and local authorities. However, California DECA cannot guarantee that event participants will not be exposed to COVID-19 while participating in or attending its events. Participants will be required to sign a COVID-19 Acknowledgement and Personal Responsibility Policy (this is included in Form B which all attendees must sign). If participants cannot agree or commit to the Acknowledgement and Personal Responsibility Policy, they cannot attend.

California DECA will continue to monitor the COVID-19 status and remain in regular communication with our hotel partners. Our plans will continue to evolve as the hotel and local protocols change. Please note:

- Participants must follow all state and local guidelines, as well as those set forth by the respective hotels hosting our conferences.
- All attendees will be required to observe the social distancing rules established by the venue and local authorities at the time of the event.
- All room sets will be based on the social distancing requirements at the time of the event.

Please visit the CDC site for recommendations on how to protect yourself against COVID-19:
www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html

California Statewide Mask Mandate

In compliance with the State of California statewide mask mandate for K-12, all conference attendees will be required to wear a facemask when in public areas ([CDPH Site 1](#) | [CDPH Site 2](#))

Protocols Specific to the Anaheim Marriott:

Full COVID-19 vaccination is required for all attendees (Students, Advisors, Chaperones, Judges, etc.) to attend the conference. Effective December 15, 2021, for those who cannot provide proof of full COVID-19 vaccination status, testing is required to be conducted within one day for antigen tests, and within two days for PCR tests prior to entry into the facility or venue ([CDPH Site](#))

It will be the responsibility of the local DECA Advisor to inform their chapter of these requirements and confirm they qualify. We will continue to monitor these requirements and keep chapters informed as we receive updates.

Anaheim Marriott specific COVID-19 updates and what to expect at the hotel:
<https://whattoexpect.marriott.com/laxah>

In the event an attendee cannot attend due to COVID-19:

For conference registration inquiries:

Please contact California DECA via email to registration@californiadeca.org within 72 hours prior to arrival to discuss registration options.

For hotel registration inquiries:

Hotel reservations must be cancelled 72 hours prior to arrival to avoid a penalty of one night room and tax. Please contact the hotel directly.

For travel and transportation inquiries:

California DECA advises attendees to check the policies of travel and transportation providers to determine their cancellation policies prior to making any travel arrangements.

SCDC HOTEL INFORMATION

The Chapter Advisor is the ONLY one who can submit hotel reservations. Reservations submitted by students will be returned. Rooms will be blocked and assigned as they come in. Rooming lists must be in the Registration Portal by January 25, 2022. Detailed instructions are included on Form C. We will no longer accept any Excel spreadsheets for rooming lists. We cannot accept rooming lists after the registration deadline due to strict cutoff deadlines in our hotel contracts.

Hotel Payment Policy

Hotel payments must be made on time according to the deadlines in this packet. If a chapter misses the hotel payment deadline, they risk losing their reservation or paying higher rates for their hotel rooms. Please plan for and prepare hotel payments in advance. All chapters will pay their hotel fees to California DECA. Please follow the instructions in this packet and the associated forms carefully. **No chapter should directly contact the hotel for registration or payment.**

No Changes to Rooming Lists

Once a rooming list is submitted, there should be no rooming changes (e.g. adding a room or dropping a room). As the rooming lists are received the chapter will be assigned rooms and those rooms will be blocked for the chapter. Because of the advance blocking of rooms, the hotel cannot accommodate changes. Chapters will need to plan ahead and only send the rooming list once. The rooming list must be complete with the accurate names at the time it is submitted. We cannot accept rooming lists with placeholder names for students or chaperones. These must be in place at the time of reservation.

Limitations on Rooms with Two Beds

Because rooms with two Full-Size Beds are limited, they will be assigned first to Quad occupancy and then to Triples. Once the rooms with two Full-Size Beds are allocated, the remaining reservations will be assigned to King rooms. If the room has Triple or Quad occupancy, a roll away bed will be added to the room. Rollaway beds will not be added to rooms with Single or Double occupancy. Only one rollaway bed can be added to a King-Size room. No rollaway bed can be added to a room with two Full-Size Beds. Do not request additional rollaway beds.

Check-in Procedures

Hotel Check-in time is 4:00 p.m. Rooms will not be ready prior to this time. When your chapter arrives only the chapter advisor will be allowed to check-in the chapter's rooms. Students/Chaperones should not come to the desk to check-in. Because we are using the vast majority of the rooms in the hotel it will take time for housekeeping to ready the rooms and some rooms will not be ready by 4:00 p.m. When the advisor checks in they will receive the rooms from their block that are ready at that time so they can begin to get students into rooms, but they may not receive keys for all rooms depending on which rooms are ready at that time.

This does mean that a room may have three or four students in it with one King size bed and one rollaway bed. If you require one bed per student, you will need to plan your housing requests accordingly. There is no guarantee that a chapter will be placed in rooms with two Full-Size Beds.

STATE CDC CONFERENCE REMINDERS

State Conference Schedule

Important reminder: Our State Conference begins on THURSDAY this year and will end on SUNDAY morning. We will have a Recognition Session on Saturday night and our Grand Awards Session on Sunday morning. See the Tentative Agenda at the end of this document for more details.

Written Events

Written Events will be submitted ONLINE and PRIOR to the conference. See Form D for specific details and the process for submitting Written Events online. Students competing in Written Events can only compete at the State CDC if their written entry is substantially complete (meaning it should be at least 80% complete in terms of content, quality, and depth). It is imperative that we respect the time and expertise of our judges and present to them for review/judging content that is of a reasonable quality. Therefore, written entries that are submitted for competition which are not substantially complete will not be judged and the students will be removed from the event. Please work with your students to ensure that their written entries are substantially complete.

No Makeup Testing

Due to the size and scope of the State Conference we are unable to accommodate makeup testing. All students MUST complete their competitive event exams during the scheduled times on Friday.

State CDC Conference T-shirt

All conference participants will receive a conference t-shirt as part of their conference registration fee. Please plan to provide t-shirt sizes as part of the online registration process.

Chapter Time – Friday Evening

Chapters will have time Friday evening to explore Anaheim. The Management Team is working with Disney to explore options for park passes and will disseminate that information once confirmed. Chapters are on their own for Friday evening plans.

Assistance with Judge Recruitment

As our numbers continue to grow, we are dependent upon the assistance of each chapter to help with judge recruitment. All chapters should consider judge recruitment a requirement of their participation in the conference. Please recruit judges and sign them up (or have them sign themselves up) on the California DECA Website:

www.californiadeca.org/judge

Alumni Assistance

Just as we need help securing judges for the conference, we also are dependent upon the assistance of Alumni. We are changing our process this year and asking that alumni who are willing to assist with overall event management register directly with California DECA for the conference using the form at the link below. You can register them as the advisor or you can have them register themselves.

Alumni sign-up form: <https://goo.gl/Zi66va>

Additionally, California DECA will provide lodging for alumni who are coming to assist with overall event management. Below are the requirements that must be met for California DECA to cover the cost of the alumni rooms for the duration of the conference:

1. They need to help with all testing sessions on Thursday.
2. They need to help during the day on Friday with managing events.
3. They need to help during the day on Saturday with managing events.
4. They won't be able to be roomed by your chapter.
5. They will be housed at the Anaheim Marriott.
6. They will be in a shared room with alumni of the same gender.

If they can do all the items above, we will cover the cost of the room.

Internet

While there may be internet and WiFi available within the hotel, convention center, and other areas of the conference; any cost associated with connecting will be at the responsibility of the individual or chapter. Hotel reward programs will often provide free internet access to members of their rewards program. Please note that the hotel may not have the ability to prevent internet charges like other incidentals. Any cost incurred will be billed back directly to the chapter.

Parking

Parking at conference venues may come at a cost. Chapters should plan and budget accordingly for your chapter's parking as needed (buses, chaperones, alumni). All parking charges are the responsibility of the individual chapter whether it be for students, advisors, and/or chaperones.

Presidents Council and Chapter Leader of the Year (Submission Deadline for Both is February 10, 2022)

Presidents Council Members will be recognized on stage during the Opening Session and will receive a special pin commemorating their service on the Presidents Council. All registered Presidents Council Members in attendance at the Conference will be recognized. In order to be registered as a Presidents Council Member; Chapter Presidents must register here: <https://californiadeca.org/resources/presidents-council/>

In lieu of the Student of the Year and the Most Valuable Member recognitions we have instituted the Chapter Leader of the Year Award whereby each chapter may select for recognition one outstanding Chapter Leader who will be recognized on stage during the Opening Session and will receive a special pin. Chapters must register their Chapter Leader of the Year (one per chapter) here: californiadeca.org/oftheyear
