STATE CAREER DEVELOPMENT CONFERENCE

WORKSHOP DESCRIPTIONS

WHO ARE YOU? *BY CATHERINE HORTON-HARDING*

Who are you? What type of leader do you think you are? "Who are you?" is all about finding your DECA style and who you are as a leader. Do you always look out for your fellow leaders? Do you like to make plans and stick to them? Are you always cheering everyone on or the person leading the head of the pack? If any of these sound like you, come learn more about your DECA style in the "who are you?" workshop.

OFFICERSHIP EXCELLENCE *BY CATHERINE HORTON-HARDING*

Want to maximize your momentum as a future or current chapter, district, or state officer? If your answer is yes come check out officership excellence! We will learn how to maximize our teamwork skills, we will reflect on and grow from our program of work, and chat about how without strong communication it is challenging to maximize the momentum of our organization!

THE POWER OF PROFESSIONALISM *BY CATHERINE HORTON-HARDING*

Learn the key 'powers' of being professional to maximize your momentum! Professionalism is not only about how you look, it is about how you hold yourself, how you listen, and how you use your words. As emerging leaders and entrepreneurs these are very important skills to know so that you are prepared to impress from the minute you walk in the room to the second you walk out!

SYNERGETIC TEAMWORK *BY NATHANIEL TAVAREZ*

We all know that teamwork is essential to success, but where do you start? This workshop will focus on building your team in a unique and interactive way. With the activities we have in store, you will see why working as a team is essential to achieving any goal and how to best harness your team's energy. Because with the right energy, anything's possible!

THE CROWD SPEAKER *BY NATHANIEL TAVAREZ*

Would you like to get more out of your next speech? Learn how to craft and deliver the perfect speech with "The Crowd Speaker" Workshop. You'll learn tips and tricks to make your speech sound more professional, how to remember what comes next and what to do if you get lost along the way. After attending this workshop, you'll be able to walk in front of that crowd with confidence and show your audience why they should listen to every word you say.

THE STRATEGIC TIME MANAGER *BY NATHANIEL TAVAREZ*

Are you a student leader who likes to get involved? Maybe even a little too much at times? It's easy to get disorganized and scattered, but you can manage your time more effectively with the right tools. This workshop will focus on exactly that, constructing focused strategic time management. Get ready to collectively have fun and be productive with the interactive activities we have planned for you.
