## LETTER FROM STATE DIRECTOR

California DECA Chapter Advisors:

The California DECA State Officer Program provides tremendous opportunities for students to gain new leadership skills, learn critical thinking, improve their planning and organization skills, become stronger speakers, demonstrate initiative, and much more. In short, it is a unique and valuable experience that we are excited to share with your students.

Along with the considerable benefits that come with being a State Officer, there are important responsibilities that officers take on and we need your help to ensure that students who plan to run for state office are aware of these responsibilities and, if elected, both you and they will ensure that those responsibilities are fulfilled.

By signing the forms included in this guide, you are making a commitment to your candidate/State Officer and California DECA. Training and directing our State Officers is a team effort and it is essential that the Officer's Advisor is a part of that team.

For more information, please visit our candidate guide page at [californiadeca.org/officers/#candidates](https://californiadeca.org/officers/#candidates)

Thank you for encouraging your student to step forward and seek a State Officer position with California DECA.

Sincerely,

Brycen Woodley  
California DECA State Director

## OBTAINING SUPPORT FROM YOUR LOCAL CHAPTER

The first step in the candidate process is to obtain support from your local Chapter Advisor. Your Advisor needs to be available to provide you with guidance as you pursue state office. Also, your local Chapter Advisor will need to help you verify that you currently meet the CTE eligibility requirement and will be able to continue meeting the requirement during your term as a State Officer.

**Please Note:** Each candidate must meet the CTE Requirement as outlined in the [Career and Technical Education \(CTE\) Course Requirement](#) section of this guide. Failure to meet the CTE Requirement will disqualify a candidate from consideration.

### INTENT TO RUN

A local Chapter Advisor must submit an “Intent to Run” for a potential candidate. The purpose of this form is to inform California DECA that your local chapter intends and endorses the candidate(s). By submitting an Intent to Run:

- The DECA member’s name will be added to the mailing list for potential candidates and will receive any updates about the candidate process leading up to the conference.
- The DECA member will receive reminders about opportunities to complete the DECA Knowledge Test, a requirement to be a candidate for office.
- Submitting this online form does not obligate the member(s) to run for office, but completing this step provides advance notice to the local Chapter Advisor and California DECA about your interest to seek state office.
- Each chapter may run up to two candidates for state office but may not run more than one candidate for any office. This process must be completed by the local Chapter Advisor, not candidate.
- A local Chapter Advisor, at their discretion, may identify and require additional steps for approving candidates at the local level, but candidates must still meet all requirements outlined in this Guide by the outlined deadline.

To complete this form, visit: [californiadeca.org/officers/#candidates](https://californiadeca.org/officers/#candidates)

## THE ROLE OF THE ADVISOR

As an Advisor with a candidate and (if elected) a State Officer, the expectation is that you will:

- Assist your candidate(s) with required aspects of the process and review their campaign speech and materials to ensure they are appropriate and professional.
- Help candidate schedule their board screening appointment and follow through with the appointment.
- Ensure the candidate meets the CTE Requirement as outlined in the [Career and Technical Education \(CTE\) Course Requirement](#) section of this guide.
- Assist the State Director and/or Officer Coach with compiling transcripts or other academic records to verify fulfillment of the CTE requirement.
- Cooperate with State Director, Officer Coach and District Director to ensure the officer fulfills their responsibilities if elected.
- Attend various meetings and functions with your State Officer.
- Serve as an ongoing mentor to your State Officer.
- Arrange additional time to work with your State Officer to support them in their State Officer duties.
- Review State Officer commitments regularly to ensure they are on track and up to date on assignments.
- Assist with travel arrangements, even traveling with your officer when necessary.
- Be available as a resource to edit and review materials and communication before officers submit or distribute them.
- Provide officers with available workspace, supplies, and any necessary financial support where needed and available.

## CAREER AND TECHNICAL EDUCATION (CTE) COURSE REQUIREMENT

DECA is a co-curricular Career and Technical Education (CTE) program for emerging leaders and entrepreneurs pursuing careers in marketing, finance, hospitality, and management. Chartered by the California Department of Education, DECA brings classroom learning to life through a robust mix of classroom curriculum tools, career development competitions, recognition programs, partnership opportunities, and leadership development experiences. The DECA educational experience is at its fullest strength and provides the greatest education value when DECA is operated as a co-curricular instructional tool. To uphold this commitment to the co-curricular experience California DECA State Officer candidates must meet the CTE eligibility requirements.

1. The high school the candidate attends must offer a CTE program or pathway (consisting of a minimum of two courses) that is aligned with the ideals and standards of DECA - for students interested in marketing, finance, hospitality, management, and entrepreneurship.
2. There must be an active DECA chapter at the high school the candidate attends, and it must be an approved organization on campus with a certificated faculty member serving as the advisor. Candidate must actively participate and be in-good-standing as a member of the chapter.
3. The candidate's DECA chapter must have a Credentialed CTE Instructor (or an instructor with a Single Subject Credential in Business or Home Economics) who serves as an advisor for the chapter and teaches in the CTE program or pathway used for DECA affiliation. This credential requirement applies to all schools including private schools.
4. The candidate must be enrolled in a pathway (or have taken all of the courses available in the pathway) in one of the following Career and Technical Education (CTE) areas: Marketing, Business Management and Administration, Hospitality and Tourism and Finance.

## IS RUNNING FOR STATE OFFICE RIGHT FOR ME?

The opportunities provided to State Officers are tremendous and many State Officer alumni consider their time as an officer as a pivotal experience in their life. Along with the opportunities and benefits of being an officer comes many important responsibilities. Take the opportunity to carefully consider your decision to run for state office and what it requires.

The average State Officer will spend five to ten hours a week working on State Officer projects and responsibilities. Prior to State Officer meetings, conferences and DECA events, the amount of time required tends to spike as officers finalize preparations and polish up projects. It is important to realize that although academics remain the number one priority, you will not be able to fall behind in your responsibilities as a DECA officer. You are required to participate in the team decision making process, perform your assigned tasks, and attend all required conferences and events.

If you are elected, you are required to attend conferences, officer meetings and DECA events throughout the year, these will occur either in person or virtually. You are not allowed to leave early, arrive late, or miss any parts of these events (except in the case of an extreme emergency). State Officers have had to miss big games, dances, trips, etc. because these activities conflicted with State Officer responsibilities. The expectation is that your State Officer responsibilities and commitments take priority, after your academics.

Please carefully review the documents and information in this guide to ensure you fully understand what is expected/required of you as a State Officer if you are elected.

If you are willing to make this commitment and you are the type of person that has the drive to succeed and the encouragement and dedication to get the job done, a DECA office is definitely for you. If you are unsure, you may want to speak with your Advisor to see if running for a State Officer is the right decision for you. If you decide to run for office, be assured that holding state office will be one of the most memorable experiences of your life and one of the most effective career preparation experiences you can have while in high school.

## CAMPAIGN RULES

1. All campaign materials must be in good taste. Facility policies do not allow the posting of campaign materials on facility walls.
2. Candidates are not allowed to begin campaigning of any kind prior to the published start time for campaigning at the District or State Career Development Conference at which they are campaigning. This includes campaigning via email, social media profiles, direct messages, and comments, websites, YouTube, chapter mailings, chapter visits, phone calls, text messages, etc. Campaigning by candidates may then continue until the ballots have been turned in during the Election Session.
3. Throughout the campaign, candidates are encouraged to use handout materials and other visual displays and presentations. Posted/stationary campaign signs, posters, banners, and any other display materials must be confined to the space provided in the campaign booth. Campaign materials may be carried throughout the conference hotel and during sessions by campaign staff members, but may not be posted, attached, or otherwise placed anywhere in the conference hotel if not in the immediate possession of a campaign staff member.
4. There will be NO campaigning after curfew. All officer candidates and campaign workers must be in their rooms by curfew.
5. The size and location of campaign booths will be communicated to candidates after the application deadline. At minimum, each candidate will receive half of a six-foot banquet table to display their materials. If there are fewer candidates, each may receive a full table; the size is dependent upon the number of candidates who submit applications.
6. As a general rule, food or beverages may NOT be passed out, sold, or otherwise distributed as part of campaigning with the exception of small AND store purchased candies, snack items, or mints. Playing music is not allowed in the campaign booths because of the disruption to competitive events and other hotel/facility functions. Electrical outlets/connections will not be provided or available. If a candidate has a PowerPoint presentation or other presentation/display/visual element that requires electricity, it must be able to run on battery power.
7. Candidates and their campaign teams are responsible for making sure that no campaign materials are left in any rooms or as litter. Failure to adequately pick-up materials may jeopardize candidacy. Each candidate should assign someone from their chapter to make a sweep of the conference facility to ensure that campaign materials are all collected.
8. To ensure a fair playing field for campaigns there is a \$250.00 limit on campaign spending (for booths, promotional materials, giveaways, raffle items, decorations, etc.) This includes in-kind donations. Candidates may not spend more than \$250.00 on their campaign or have more than \$250.00 of items donated or any combination of the two that exceeds \$250.00 total. Prices of donated items are to be fair market value and candidates must be prepared to submit receipts documenting their

expenditures/donations. Fair market value is to be determined based on what a reasonable person would expect to pay for an item when looking to purchase it and what a reasonable seller would be willing to sell it for. For example, indicating that a brand-new iPad was donated to be used as a raffle item and the fair market value of the iPad was \$100.00 would be unreasonable.

9. Each candidate will bring a final [Campaign Expense Report](#) to their interview at the District or State Career Development Conference at which they are campaigning to ensure candidate adhered to the \$250.00 spending limit. The final report should show any changes from the original report submitted with your application
10. A sample of each item used during the campaign and any material distributed must be brought to the candidate's assigned interview time, excluding large booth decorations. Each of these items should be listed on the final campaign budget. These samples will be returned.

## ELECTION GUIDELINES

The below guidelines apply to all State Officer positions:

1. Chapter Advisors or persons acting in a Chapter Advisor capacity will not be allowed to participate during the election. Unless disqualified, the previous year's officer or unelected candidate may opt to apply again the following year.
2. A qualified candidate who is not elected to their office will have their application submitted to the newly elected officer team for consideration in filling any vacant positions.
3. If no candidate is elected for a specific office, that office may be appointed by the State Management Team at their sole discretion.

## CAMPAIGN AND ELECTION PROCEDURES

The campaigning portion of this process is an opportunity for the candidates to showcase their qualifications, including experience, scholastic aptitude, responses to published questions, speaking ability, ability to "think on feet," appearance, personality, and commitment.

### CAMPAIGN SPEECHES

Candidates will deliver a campaign speech at their respective District Career Development Conference. All elected candidates are allotted two (2) minutes for their campaign speech. All speeches and/or demonstrations in support of the candidate must be included in the time allotment. Candidates should bring hard copies of signed application documents and a final expense report to submit to California DECA.

### CANDIDATE INTERVIEW

Participation in an interview at or before the District Career Development Conference is mandatory for all elected candidates. Failure to participate in the interview will result in disqualification. You will be notified of your scheduled interview time prior to the district conference.

### ELECTION PROCEDURES

The official California DECA Election Procedure for Vice President of Northern California, Vice President of Southern California, and Vice President of Silicon Valley will be determined through an election by voting delegates.

Voting will be held during an election session at each district's Career Development Conference by designated voting delegates by secret ballot. Each chapter registered for the conference will be allowed two (2) votes.

For District Vice President positions, the candidate with a majority vote from the voting delegates within their district will be elected. Voting delegates will be allowed to cast an affirmative or an abstention vote, such abstention counting neither for nor against the candidate. In the case of only one candidate running for an office, the voting delegates will have the option of a negative vote. The "no" vote means that the delegate would rather have no representative than the one running.

Voting will continue until one candidate in each race has a majority of the votes. On each ballot, candidates with the lowest votes or those who do not receive 15% of the votes will be dropped from the ballot.

Until a majority vote is reached, after each vote is taken the candidates remaining will come forward as their names are called so that the voting delegates may see which candidates they wish to vote for on the next ballot.

The election will take place during an Election Session at the corresponding District Career Development Conference. (Positions will be elected prior to the State Career Development Conference).

Newly elected State Officers will be announced at the conclusion of the District Career Development Conference and installed at the conclusion of the State Career Development Conference.

### STATE CAREER DEVELOPMENT CONFERENCE INVOLVEMENT

District Vice Presidents-Elect are required to participate at the State Career Development Conference in the following ways:

1. Be introduced on-stage during the Opening General Session
2. Host an informational booth during the Campaign Rally. Newly elected officers will not be campaigning for votes, but present to answer questions about your platform for the coming year and start becoming familiar with the members, their suggestions, and needs.
3. Participate in a panel interview with the other District Vice Presidents to aid in the mission initiative that they will be assigned for their term (Membership, Finance, OR Career Development)

## ADVISOR CHECKLIST

### MEETING WITH STATE OFFICER CANDIDATES & PARENTS/GUARDIANS

The Chapter Advisor should schedule a meeting with the State Officer Candidate and their parent/guardian and carefully review this checklist and the entire State Officer Candidate Guide. Once the Advisor has held this meeting and reviewed the checklist it should be completed, signed, and dated, and submitted to California DECA along with the required forms in this guide.

✓	ITEMS TO DISCUSS AND REVIEW WITH YOUR STATE OFFICER CANDIDATE
	Have a frank conversation with the State Officer candidate to ensure they understand the commitments required of State Officers. Be sure that they understand that at times they will have to miss sporting events or other personal activities in order to fulfill their State Officer responsibilities. Officers must recognize that DECA conferences and events come before other social functions, summer programs, athletics and dances.
	Ensure that State Officer candidates understand that being a State Officer is a privilege and will require their very best effort. If elected, the candidate will be required to devote several hours each week to their State Officer responsibilities and will not be allowed to fall behind on State Officer duties and responsibilities.
	Verify that the State Officer candidate has or is on track to meet the CTE Course Requirement as a candidate <u>and</u> will be able to meet the requirement during term of office if elected.
	Talk to the candidate about their involvement in other activities like sports, clubs, work, etc. Be sure they have fully calculated the time commitment and are prepared to make DECA a priority if they are elected.
	Set up a plan for the officer to keep the Advisor regularly updated about projects, upcoming responsibilities, and duties of office. The interview panel will ask about this.
	Discuss and create a time management plan for when and how the officer will complete their DECA work each day. Officers should plan to spend about 30 minutes a day (minimum) on DECA work. The interview panel will ask about this at state.
	Ensure the officer has access to internet on a daily basis either at home or through the school. Officers will need access to Gmail for official State Officer communications.
	Carefully review this guide with the candidate and be familiar with the rules and guidelines for State Officer candidates.
	Ensure that all forms from this guide have been completed.
	Ensure the 30-second commercial is in good taste and is of a professional nature.
	Be sure that the candidate understands that while being a DECA State Officer is an invaluable experience and will be a great accomplishment to highlight on their resume and college applications, being a State Officer should be about their passion for DECA and desire to contribute to the growth and progress of California DECA. This is a real commitment that requires time, effort, initiative, and commitment throughout their term of office.

## SUMMARY OF CHANGES

Please be aware of the following notable changes to the California DECA State Officer campaign process. Candidates are responsible for reading this guide in its entirety. The purpose of this section is to identify major changes/adjustments made to the process each year. This does not include all edits/adjustments, just major changes to the candidate process.

### 2022-2023 CHANGES

- CTE Requirement clarification

### 2021-2022 CHANGES

- Candidate Notification and Advisor Notification forms have been consolidated into the Intent to Run form. The consolidated form is now a requirement to capture the necessary endorsements and verifications from Advisors.
- Dress Code outline updated to reflect changes from DECA Inc's guidelines.
- CTE Requirement clarification

### 2020-2021 CHANGES

- The following CTE requirements outlined by the California Department of Education must be met:
- The high school that the candidate attends must offer a CTE program or pathway that is aligned with the ideals and standards of DECA - for students interested in marketing, finance, hospitality, management, and entrepreneurship.
- There must be an active DECA chapter at the high school, and it must be an approved organization on campus with a certificated faculty member serving as the Advisor.
- The Advisor of the candidate's chapter must have a CTE credential or Single Subject Credential in one of the following approved areas: Business and Finance; Marketing, Sales and Services; Hospitality and Tourism or a Single Subject Credential in Business or Home Economics.
- The candidate must be enrolled in a pathway (or have taken all of the courses available in the pathway) in one of the following Career and Technical Education (CTE) areas: Marketing, Business Management and Administration, Hospitality and Tourism and Finance.

### 2018-2019 CHANGES

- Based on approved constitutional amendment, the State Officer positions changed to DECA Mission Based Officer positions. These positions include appointed positions at SCDC (Vice President of Marketing and Vice President of Leadership), and positions appointed to the elected District Vice Presidents after SCDC (Vice President of Career Development, Vice President of Finance, Vice President of Hospitality).
- Candidates for California DECA State Office must be committed to be concurrently enrolled during the entire duration of their term of office to be eligible for State Officer candidacy in California DECA.

### 2017-2018 CHANGES

- Elections for the Vice President of Silicon Valley will follow the same procedures as Vice President of Northern California and Vice President of Southern California.

## 2016-2017 CHANGES

- The DECA Knowledge Test will be available online only for candidates to take throughout the year until the application deadline. Instructions on how to take the test have been added.
- One virtual Candidate Information Session will be held for all members interested in running for state office. Candidate Information Sessions will no longer be held at individual district conferences.
- All District Vice Presidents (Vice President of Northern California, Vice President of Silicon Valley, and Vice President of Southern California) will be elected at their respective District Career Development Conferences. Newly elected District Vice Presidents will still participate in campaign elements at the State Career Development Conference.
- Screening interviews are no longer required for District Vice President candidates. These candidates will participate in an interview at their respective district conference at a time scheduled by California DECA
- Screening interviews for State President and Appointed Position candidates must still take place at their respective district conferences but will be scheduled by California DECA. Candidates must submit an interview request.

## 2015-2016 CHANGES

- The Intent to Run form is a new addition to the candidate process, but not required.
- The CTE eligibility requirement was added to the candidate guide. All candidates must be currently taking or have previously completed a CTE course to be eligible to run for office.
- A school transcript showing a CTE course is required as part of the application.
- Elected positions are elected by a majority vote by the voting delegates.
- Application materials are no longer mailed or shipped to California DECA. All materials are submitted online or brought to the conference.
- All candidates are required to participate in the candidate video briefing call (or certify they have viewed the recording). All approved candidates will receive detailed instructions on how to participate.
- Candidates must submit a campaign budget with their application to show projected expenditures do not exceed the \$250.00 campaign spending limit.
- Candidates must submit a campaign expense report at their interview to prove their expenditures did not exceed the \$250.00 campaign spending limit.

## 2014-2015 CHANGES

- Instructions for submitting the video commercial updated. New instructions require submission through a Dropbox link sent by email to [coach@californiadeca.org](mailto:coach@californiadeca.org).

## 2012-2013 CHANGES

- Two officer positions were removed from the State Officer team. The offices of Vice President of Chapter Development and Vice President of Civic Consciousness are no longer positions within the State Officer team.
- Three officer positions were added to the State Officer team. The offices of Vice President-Silicon Valley, Vice President of Leadership, and Vice President of Marketing are positions within the State Officer team.
- A committee will interview and appoint officers to the positions of Vice President of Leadership and Vice President of Marketing. Candidates running for these positions will follow the same election and campaign procedures as other positions, except delivery of campaign speech and election by the voting delegates. Instead, candidates for the positions of Vice President of Leadership and Vice President of Marketing participate in an interview. Both positions are filled by appointment based on the specific abilities and skill sets required by these positions. The interview committee will consider the unique qualifications of each candidate.
- State Officer candidates are no longer required to submit the Candidate Q&A form. The form has been removed from this guide.

## 2011-2012 CHANGES

- Further clarification and details were made in regard to candidates scheduling interviews with members of the Board of Directors for the District Career Development Conferences.
- Each candidate will create a 30-second commercial highlighting who they are and why they will make a great State Officer. Commercials will be submitted prior to the state conference and played for all delegates to see at the Opening Session. Commercials must be in .mov format. Other DECA members may assist in the development, shooting, and editing of the video, but the candidate is the only person who can be in the video.
- Each candidate must now pay a \$100 fee per event to partially cover their expenses to attend the required State Officer events. There are five (5) events State Officers must pay the fee for a combined contribution to their State Officer experience of \$500. California DECA will cover all expenses in excess of the \$100 fee per event from each officer.
- Approval of the parents to include State Officer's cell/mobile numbers on official business cards was added to the candidate agreement.
- The uniform information sheet was added to the candidate guide to help in the State Officer uniform selection process.

## 2010-2011 CHANGES

1. Screening interviews with members of the California DECA Board of Directors now MUST be completed on site at the District Career Development Conference in January. There are no exceptions to this rule. If a candidate is unable to participate in an interview with a member of the Board of Directors on site at the District CDC, they are NOT eligible to campaign for office.
2. While this is not a change, please note the outcome of the screening interview by the member of the Board of Directors determines whether or not the candidate is ready to run for state office. If the board member determines that the candidate is not prepared, the candidate will not be recommended and will not be allowed to campaign for state office. Another board member will interview candidates running for state office from a board member's chapter.
3. An Advisor checklist was added to this guide. All Advisors of State Officer candidates must review and complete the checklist prior to candidate submission of campaign materials.
4. All deadlines are strictly enforced. No exceptions. If a candidate misses a deadline, they will be ineligible to run for state office.
5. Candidates MUST achieve a score of 90% or better on the DECA Knowledge Test to be eligible to campaign for state office.
6. The forms in this guide should be submitted SEPARATE from the candidate portfolio.
7. To ensure a fair playing field for campaigns, there is a \$250.00 limit on campaign spending (for booths, promotional materials, giveaways, raffle items, decorations, etc.) This includes in-kind donations. Candidates may not spend more than \$250.00 on the campaign or have more than \$250.00 of items donated or any combination of the two that exceeds \$250.00 total. Prices of donated items are to be fair market value and candidates must be prepared to submit receipts documenting their expenditures/donations. Fair market value is to be determined based on what a reasonable person would expect to pay for an item when looking to purchase it and what a reasonable seller would be willing to sell it for. For example, indicating that a brand-new iPad was donated to be used as a raffle item and the fair market value of the iPad was \$100.00 would be unreasonable.
