

FORM A - INTENT TO COMPETE

****THIS FORM HAS MOVED ONLINE****

- Please include all students who placed in the TOP 10 in their event and would like to compete at ICDC if they have the opportunity. The reason we request that you include students through the Top 10 is so that if the students who are automatic qualifiers choose not to attend, we know who the next available student is that would like to attend. If a student placed in the TOP 10 of their event and their name is not included with the Chapter's online Form A submission, they will be skipped over and the next student in line offered the slot.
- If students qualify in more than one event, they must choose only one (if they may bump up in multiple events include abbreviations for all potential events and place them in the order they want to bump).
- In the case of a Team Event, substitutions and additions are allowed, but ONLY IF at least one original team member who competed on the team at SCDC will be advancing on to compete on the team at ICDC. If you are adding students to a team or make a substitution on a team, please CLEARLY indicate all additions and substitutions [e.g., John Doe (substitution for Jane Doe) ... or ... John Doe (addition to team with Jane Doe)].
- If you are a Gold Level Chapter Awards Program Chapter Include the names of your three students online and select "CAP" in the event column.
- If you have ICDC qualifiers in the Stock Market Game, Virtual Business Challenge, or School Based Enterprise System (as notified by National DECA) include them on this form and place SMG, VBC, or SBE in the event column. NOTE: Substitutions/Additions are not allowed for SMG or VBC. You can only remove team members for those two events per National DECA guidelines.
- If your chapter earned THRIVE Academy slots through the DECA Inc chapter campaigns, please include the names of your students attending with the selection of THRIVE. Any students using slots **above** a chapter's approved allotment will not be approved to attend. NOTE: Each Thrive Level achievement now only qualifies two students (in the past this was three). Please plan accordingly.
- For newly elected State Officers who plan to attend ICDC, but may not have qualified in competition, please select "EMPOWER" in the event column.
- Failure to submit online will result in forfeiture of the opportunity to compete at ICDC.

Deadline: March 8, 2023 at 5:00 p.m.
