SOCAL CDC CONFERENCE – IMPORTANT CONFERENCE REMINDERS & INFORMATION

Two Day Option

The So Cal DECA CDC is a Three Day/Two Night Conference. However, this year we will continue to offer a Two Day/One Night option for chapters that are only able to participate in the conference on Saturday and Sunday. Please pay close attention to the Tentative Schedule for the differentiation between the two options.

Chapters participating in the normal conference pattern (Three Days/Two Nights) should arrive at the hotel by 6:00 PM on Friday in order to get registered and be ready for the testing session that begins at 6:30 PM.

Chapters participating in the optional Two Day/One Night Conference pattern should arrive at the hotel NO LATER than 9:00 AM on Saturday in order to get registered and be ready for the start of competitive events at 10:00 AM.

All chapters need to carefully complete their hotel registration forms (Form C and Form D) ensuring that they clearly indicate their arrival/departure dates and number of room nights so that the hotel knows if you are staying for the full conference (two nights) or the optional pattern (one night).

Meals

Breakfast on Sunday is provided for paid conference registrants during the conference, between the Mini and Grand Awards Sessions. Participants are on their own for all other meals. Please note that the Sunday morning breakfast is **only for paid conference registrants**. Parents, Friends, Alumni, or other guests who are not paid registrants at the conference may not attend the breakfast.

Please note that event administrator meals which are provided during the conference for adults (i.e. the Saturday morning Judge & Event Manager Breakfast and the Saturday afternoon Judge & Event Manager Lunch) are only for those advisors and chaperones who have been assigned to work shifts as Event Managers. If an advisor or chaperone has not been assigned to work a shift, they should make alternative arrangements for meals.

Vice President of Southern California Election

All District Vice Presidents (Vice President of Northern California, Vice President of Silicon Valley, and Vice President of Southern California) will be elected at their respective District Career Development Conferences. Students who plan to run for the position of Vice President of Southern California need to carefully review the State Officer Candidate Documents located on the California DECA website for complete election details and process:

Saturday Night Social Activity

Saturday gives students a chance to unwind from a day of competition and workshops. Chapters will have time to do chapter dinners prior to the opening of the Fun Room. Dinner is on your own and food will not be provided. Come prepared for fun, entertainment, and memories to last a lifetime!

Series Events

For Series Events (Principles of Business Administration, Individual Series, and Team Decision Making Events), there must be a minimum of 8 competitors/teams in each event across all chapters participating in that event. If the minimum number of competitors/teams do not register for an event, an email will be sent to advisors letting them know which events are being dropped and providing instructions for advisors to sign their students up for another event.

Written Events

There will be no written event competitions offered at the So Cal District Conference.

Hotel Assignments

Rooms with two beds are limited and reserved for Quad occupancy. While the hotel will make every effort to ensure that a room with four students has two beds, please note that some rooms will have a King-size bed and a rollaway bed or air mattress, even though there may be four students in the room. Please notify your students and plan accordingly.

Dress Code

Carefully review Form B with your students as it outlines the dress code requirements for the conference.

Scoring Concerns/Grievances

All concerns/grievances regarding scoring or competitive events **MUST** be submitted no later than 7:00 p.m. on the date that is two days after the close of the Conference. For example, if the conference ends on a Sunday, then grievances **MUST** be submitted by 7:00 p.m. on Tuesday. Concerns/grievances should be addressed to the State Director in writing via the Grievance Reporting Form provided in the Conference Policies & Procedures packet.

After the grievance reporting deadline outlined in the previous bullet all competitive event outcomes and scores become final and concerns/grievances will not be considered.
