

# FORM D – Prepared Event Entry Upload Procedures

## SoCal CDC 2026

Please be sure to carefully review this entire document. Failure to do so may lead to an ineligible submission.

**All Prepared Event entries must be submitted during the upload window  
(between 8:00am on Wednesday, December 10<sup>th</sup> and 5:00pm on Friday, December 12<sup>th</sup>)**

Beginning in the 2025–2026 school year, the DECA events that we previously referred to as “Written Events” are now categorized as “Prepared Events”. These events include both traditional written entry events and the newly introduced pitch deck events.

For the SoCal CDC, these are the only Prepared Events that will be offered:

- Events: Entrepreneurship Events (EIP, ESB) and Integrated Marketing Campaign Events (IMCE, IMCP, IMCS).

### Submission Requirements

- All pitch decks must be uploaded online by the submission deadline. There are no exceptions. If a pitch deck is not uploaded by the deadline outlined in this document, the competitors will be dropped from the event.
- All pitch decks will be reviewed for penalty points to ensure compliance with event guidelines.

### Judging & Scoring

- Pitch Deck Events (20-slide pitch decks)
  - Events: Entrepreneurship Events (EIP, ESB) and Integrated Marketing Campaign Events (IMCE, IMCP, IMCS).
  - Pitch decks will be reviewed online for penalty points only; they will not be scored separately.
  - Judges assigned to each event will have access to the pitch deck to review prior to the student presentations.
  - The same judge who reviews the pitch deck in advance will hear the competitor’s presentation on-site.
  - Only one score sheet will be used: the on-site presentation rubric. There is no separate rubric or score assigned for the online review of the pitch deck.
  - Scores will be based on the on-site presentation score and factor in any penalty points.

## Key Reminders

No event changes (events, teams, or captains) are allowed after the conference registration deadline.

Only one submission per Prepared Event is permitted. Submissions can be replaced or updated until the submission deadline. Any team member may upload the entry.
